

WE ARE LOOKING FOR CHAMPIONS FOR CHILDREN!

Do you know of an individual or organization that has dedicated time, talent, and heart to developing a better school environment and a stronger community?

Please take a few minutes of your time to honor this individual or organization!

The reward starts with you!

Those honored will be celebrated at the annual Champions for Children dinner on April 20th. 2012 at Evangelo's!

The committee will select approximately fifteen recipients from the nominations received in both categories: individual or group/business. The winners will be notified and invited to attend the awards dinner. If your nominee receives an award, you and a guest will also receive an invitation to the ceremonial banquet! There is dinner/music and a professional photographer to capture the memories! It truly is a magnificent opportunity to recognize our dynamic volunteers!!

Please take a moment to submit the name of an individual or group in your school or community whom you feel has been a true Champion for Children. The nominee may be a parent, group, business, "duty", substitute, or any other deserving individual.

- Please submit a summary regarding what the nominee or group has done to improve the quality of education in the Mat-Su Valley. The committee will only have the summary to review, so please try to be specific with examples such as: length of service, their participation in activities or events, etc.
